Delivery and Freight Charges

All shipments are FAS. point of shipment, freight prepaid and allowed to one continental U.S. destination. All shipments outside the continental United States will be shipped FAS origin, freight prepaid to point of embarkation. All charges beyond point of embarkation are collect. Orders in production will be shipped as scheduled and cannot be held.

Architectural Response Kollection, Inc. reserves the right to select the most appropriate carrier and routing for all shipments.

Inside delivery and installation services are not included in the pricing shown.

Orders will be invoiced within 48 hours after notifying the customer of completion. If customer is unable to accept delivery of merchandise when ready for shipment, Architectural Response Kollection, Inc. may transfer the merchandise to storage. All costs including transportation will be at customers expense.

A storage charge of 1 1/2% of invoice will be assessed for every 30 days, or any part thereof, that merchandise remains in storage. Architectural Response Kollection, Inc. considers transfer to storage the equivalent of delivery for all purposes, including invoicing and payment. Customers will bear

all risk of damage or loss during storage.

Architectural Response Kollection, Inc. is not liable for any delay for failure to deliver products due to: fires, floods, accidents, labor strikes, lock outs, earthquakes, delay or failure of material supply sources, acts of God, or any other causes beyond Architectural Response Kollection, Inc.'s control.

Claims

Architectural Response Kollection, Inc. takes every precaution to assure proper inspection of the loading and packing of all merchandise. Our liability ceases when we receive a clear bill of lading at our shipping dock. This is an acknowledgement by the transportation company that the merchandise was received in good condition.

Damaged Merchandise

Do not refuse merchandise damaged in transit. All shipments are delivered to the transportation company in good condition. Architectural Response Kollection, Inc.'s liability ceases at that time. If a shipment is received damaged you should immediately file a claim with the transportation company.

Concealed Damage and Shortages

Customers are protected from concealed damage and shortages if they file claims with the carrier within five days of delivery. ARK suggests that the words "subject to inspection" accompany signature if goods are crated or cartoned and thus cannot be examined at time of receipt. Any claims for shipping damage must be filed by the customer with the carrier within five days of receipt.

Repair Charges

Factory authorization must be secured from Architectural Response Kollection, Inc. prior to incurring repair charges if Architectural Response Kollection, Inc. is expected to pay these charges.

Merchandise may not be returned without our prior written authorization along with shipping instructions. Unauthorized returns will not be accepted and will be returned freight collect.

All merchandise being returned must be properly packed and protected to ensure no further damage is incurred during transportation back to Architectural Response Kollection, Inc.'s facility. Upon receipt, all returned merchandise will be thoroughly inspected and the results compared to the reason for return stated on the RGA. Any discrepancies, such as additional damage, signs of usage, missing parts, etc., will result in an adjustment to the amount of credit issued.

Warranty

Architectural Response Kollection, (ARK), warrants that its products are free from defects in materials and workmanship given normal use and care for ten years from the date of shipment. At its option, Architectural Response Kollection, (ARK), will repair or replace with comparable product, free of charge to the customer, any product, part or component which fails under normal use as a result of such defect. This warranty is made by Architectural Response Kollection (ARK) to the original customer for as long as the original customer owns and uses the product. Please follow the procedures described below to process warranty issues:

1. Contact Customer Care and provide them with the information on the product in question and the purchase order number or acknowledgement number and a detailed description of the warranty issue. This information is mandatory before the claim can be processed.
2. Customer Care will determine and pre-approve all resolutions to the claim such as replacement units, service parts, labor and repair charges. Upon approval, resolutions will be assigned an authorization number.
3. The authorization number must be included on all invoices for reimbursement. Any unauthorized charges will not be the responsibility of Architectural Response Kollection, (ARK).

Architectural Response Kollection, (ARK), warrants all Custom products to be free from defects in workmanship given normal use and care for three years from the date of shipment.

This warranty does not cover:

- Wood furniture is made of naturally variable raw materials. Differences in grain

character and color between wood species are naturally occurring variations and not within the control of the manufacturer nor considered defects under this warranty.

- Natural variations in marble and leather are not considered defects under this warranty.
- Damage caused by a freight carrier.
- C.O.M. (Customer's Own Material) or any other non-standard Architectural Response Kollection, (ARK), material specified by the customer is not warranted. This includes attributes such as appearance, durability, quality, colorfastness, etc.

- Alterations to the product not expressly authorized by ARK or products considered to be of consumable nature, such as bulbs, light ballast, and certain electronic products. Architectural Response Kollection's warranty is only valid if the products are given normal and proper use, and installed properly by experienced professional installers versed in working on high end casegoods. Architectural Response Kollection assumes no responsibility for repairs to products sustaining damages resulting from user modification, attachments to a product, misuse, abuse, alteration, or negligent use of our products.

Facilities Managers and users are urged to make periodic inspections to look for damages or signs of structural fatigue incurred in daily handling and use. Examinations must include the drawer slides, hanging file bars, screws or fasteners, and any other points of stress. If any problems are found, the product should be taken out of service until properly repaired.

Except as expressly set forth above, there are no other warranties either express or implied, including any warranty of merchantability or fitness for any particular purpose. We exclude and will not pay consequential or incidental damages under this warranty.

As the manufacturer of your furniture, we stand behind our craftsmanship and pledge to do everything we can to resolve any problems you have within the terms of this warranty as quickly as possible. If you have followed the procedures described in the warranty and your problem has not been resolved to your satisfaction, you can write or call us directly. Please relate all the pertinent facts and send your letter to:

Architectural Response Kollection, (ARK).

Care and Maintenance

When cleaning, use a soft cotton cloth moistened with a mild soap and warm water solution and dry immediately. ARK does not recommend the use of waxes or polishes. Visit www.ark-inc.com to download our full care and maintenance brochure.

Color and Grain Matching

Different wood species offer unique texture and grain. Variations in finish color and value may occur due to the natural characteristics of wood. Architectural Response Kollection, Inc. carefully selects all materials used in every product to minimize the natural variation in materials. Exact color match is not possible. When re-ordering furniture for an existing project, where color change has occurred as a natural part of the aging process, please provide sample if color matching is critical.

COM

COM is Customer's Own Material. Customer must take full responsibility for selecting, purchasing and shipping COM to Architectural Response Kollection, Inc. A sample must first be sent for Architectural Response Kollection, Inc.'s approval as to whether or not it can be applied on our product.

All shipments must be clearly marked with the customer's name and customer order number.

Your order should indicate which side of the material is to be exposed and if special application instructions apply. Specify the supplier's name, material number, and description. If the fabric is a stripe or pattern, specify vertical or horizontal upholstery application. In the absence of instructions, Architectural Response Kollection, Inc. will determine the appropriate application.

Yardage requirements shown in the price list assume 60" wide plain fabric.
